The Prevention Extension Workshops are a one-day training offered at NO COST to groups of at least 20 people on the topic of your choice. For further information on workshop content, trainers, **how to bring a workshop to your community**, and a schedule of workshops visit our website, http://www.emt.org/prev_aod.html.

For more information or any other questions contact heather@emt.org.

Ask about our **NEW 2-day workshops** that include a full day workshop followed by an additional day of immediate personalized technical assistance!

If you would like to bring a workshop to your community:

We ask that you provide the following:

- A suitable site (able to accommodate up to 40 people)
- Market workshop to the local community using EMT materials (we will provide)
- Onsite hosting- includes workshop coordination prior to and on event day
- Refreshments in the morning
- Any necessary audio/ visual equipment
- Provide EMT with a clear map for us to distribute with confirmations

EMT will provide:

- A full day workshop with knowledgeable trainer
- Workshop marketing by internet and catalogue mailing
- Workshop flyers for you to distribute
- Sign in sheet, networking lists and nametags
- Full registration services
- Workshop binders for all participants who have registered 10 DAYS PRIOR TO DATE OF WORKSHOP
